

CLIP AND COLLECT BOXTOPS!

Please submit Boxtops and don't forget your name and homeroom #.

Please note that in order for Boxtops to be submitted successfully, make sure when collecting Boxtops that they are carefully cut along the dotted lines, that **the expiration date is legible** and that they **are not expired!** By doing the above, you are one step closer to raising money for the school!

Turn in your Boxtops to your teacher and please make sure **your name and homeroom** is written on the envelope/bag or Boxtop Submission Form.

And don't forget - tell your neighbors there is a drop box in the NP Library, Children's section.
