

Allen W. Roberts School PTA, 80 Jones Drive, New Providence, NJ 07974

Dear Friend of Allen W. Roberts School:

Thank you for taking the time to read our request for your support. Allen W. Roberts (AWR) Elementary School's Spring Fling fundraiser is approaching! This is the largest event AWR hosts to raise funds for our students' enrichment programs and the betterment of school amenities. For the past two years we were unable to hold full events due to COVID-19. This is our first year back in-person, and we are so excited for a spectacular evening! We are reaching out to our supporters and sponsors to help us make this the best one yet. Past Spring Flings have raised as much as \$25,000. This year, our goal is to raise \$30,000 for our students ranging from 5-12 years old!

We are pleased to announce that we are finalizing plans for the **Annual AWR School Spring Fling Fundraising Event for 2022**, which will host 300 attendees. As our only annual fundraiser, this exciting evening, made possible by the AWR PTA, will take place on **Friday, March 25, 2022** at The Embassy Suites by Hilton in Berkeley Heights. It will include a silent auction, raffles, and banquet dinner.

Our hope is, with your support, to raise \$30,000 so our teachers and parents can continue to offer exciting enrichment programs and activities to the students of AWR. Here are just a few of the enrichments that your generous donations to Spring Fling have successfully made possible in the past: • Cultural Arts Program • Book Fair • Author Day • Theater Week • STEM Fair • Spelling Bee • And many more!

Each year, the money raised also helps provide the school with necessary supplies, books, software, teacher grants, and educational materials that would not be possible without our fundraising efforts. Plus, a portion of the Spring Fling proceeds are set aside specifically for special school projects. For example, the funds from 2020 and 2021 enabled the school to update the cafeteria with new tables and chairs, refresh the reading courtyard, and purchase COVID safety materials necessary for a successful return to in-person education. These included individual storage bins for every student, protective containers for the classroom, and face masks for all teachers and staff. ■

We hope you will help us provide the continued educational and social infrastructure needed for our children and teachers by supporting the 2022 Spring Fling fundraising event! Please consider a tax-deductible donation of either cash or a gift of your choice. **We will continue to recognize and promote all of our sponsors in the program booklet that is distributed to all attendees** and on our website.

**Please send donations no later than Monday, January 31, 2022 to:** Allen W. Roberts PTA
