

# KG-am and Gr. 1 - 6 dropoff and pickup

must be shared with ALL caregivers transporting your children

## MORNING DROP OFF - Front Circle (off of Jones Drive)

- Opens 8:15 am
- Adhere to “every other car rule” when entering from Jones Drive and Crane Circle
- There is NO PARKING in circle
- PULL UP as far forward in the front circle as you can (to the “Drop Off Starts Here” sign) or to the car in front of you to allow for more cars to drop off simultaneously (at least 10 cars!)
- DO NOT STOP HALFWAY near front door as this incurs unnecessary delays for cars behind you
- Children MUST EXIT ON RIGHT, onto the sidewalk. Please make it easy by moving younger children’s car seats behind the driver
- If children cannot reliably exit car on own, do not use drop off. **Park & Walk** (see awrpta.org)
- DO NOT PASS cars on the left in circle. Wait until cars in front of you are moving
- Left turn when exiting onto Jones Drive is permissible; consider turning right to ease congestion
- If on Jones Drive, let cars in that want to exit the circle to keep traffic moving (if they can’t exit, you can’t enter).

**DROP & GO (#1 - 4)** or **Park & Walk** - Log in to awrpta.org for interactive map. Click on features for specific instructions at each location. Additional info: **Park & Wait**, **Crossing Guards**, **Bike Racks**
