

SAFETY DO'S AND DON'TS

DO back in to your spot when parking in the back lot. No head in parking is allowed.

DO tell the adults responsible for dropping off or picking up your child the rules. They may not be aware of the procedures for drop off and pick up.

DO be courteous to pedestrians and drivers. Everyone has places to go and things to do—be patient, follow the rules and be respectful of each other.

DO pull your car onto Jones Drive if your child is having difficulty in the morning and needs a few moments to collect him or herself before going off to school.

DO remember that every Wednesday is Walk and Roll day to school.

DON'T park in the middle of the back lot during pick-up time.

DON'T leave large gaps in between cars when parking in the back lot. We want to accommodate as many cars as possible. Big gaps means less cars.

DON'T pick up or drop off along the opposite side of Jones Drive (facing Crane Circle).

DON'T text or speed in the school zone area. While this seems obvious, it still happens and we want to keep our children safe!

DON'T park in Commerce Circle. That is not a designated parking lot.

DON'T park in the back lot before 2:30. Sometimes classes will go out there for an afternoon recess or school activity. There's no reason to be parked there prior to 2:30.
